In the event of an unexpected injury, Aflac can help protect your personal finances. We provide individuals and families affordable insurance that helps with expenses that may not be covered by major medical insurance. Aflac pays cash benefits directly to you (unless you specify otherwise), so you can use the cash for anything you want. Which means uncovered medical expenses won't break the bank if you are injured.

And since we can process your claim quickly, Aflac helps give you the peace of mind knowing you can spend more time recovering and less time worrying about bills.

This is not the insurance contract and only the actual policy provisions will control. The policy itself sets forth in detail the rights and obligations of both you and Aflac. It is, therefore, important that you **READ YOUR POLICY CAREFULLY!**

5. You re-establish premium payments through:
(a) your new employer's payroll deduction process or
(b) direct payment to Aflac.

You will again become eligible to receive this benefit after:

1. You re-establish your premium payments through payroll deduction for a period of at least six months, and
2. We receive premiums for at least six consecutive months.

"Payroll deduction" means your premium is remitted to Aflac for you by your employer through a payroll deduction process.

WAIVER OF PREMIUM BENEFIT:

Employed: If you, due to Injuries sustained in a covered accident, are completely unable to do all of the usual and customary duties of your occupation or any occupation whatsoever, for more than 180 consecutive days while the policy is in force, Aflac will waive, from month to month, any premiums falling due during your continued inability. For premiums to be waived, Aflac will require an employer's statement (or proof of your inability to perform three or more ADLs) and a Physician's statement certifying your inability to perform said duties, and may each month thereafter require a Physician's statement that total inability continues.

Not Employed: If you, due to Injuries sustained in a covered accident, are completely unable to perform three or more of the Activities of Daily Living (ADLs) without Direct Personal Assistance for more than 180 consecutive days while the policy is in force, Aflac will waive, from month to month, any premiums falling due during your continued inability. For premiums to be waived, Aflac will require a Physician's statement certifying your inability to perform said activities, and may each month thereafter require a Physician's statement that total inability continues.

This Waiver of Premium Benefit is limited to a total maximum of 36 months per eligibility of the Waiver of Premium Benefit regardless of whether you are employed or not employed.

If you die and your Spouse becomes the new Named Insured, premiums will start again and be due on the first premium due date after the change. The new Named Insured will then be eligible for this benefit if the need arises.

While this benefit is being paid, Aflac may ask for and use an independent consultant to determine whether you can perform an ADL.

You must pay all premiums to keep the policy and any applicable rider(s) in force until Aflac approves your claim for this Waiver of Premium Benefit. You must also resume premium payment to keep the policy and any applicable rider(s) in force, beginning with the first premium due after you no longer qualify for Waiver of Premium Benefits.

Common-Carrier Accident	\$35,000	\$35,000	\$7,000
Other Accident	35,000	35,000	7,000

Aflac will pay an additional 25 percent of the Accidental-Death Benefit when two or more Accidental-Deaths occur in the same covered accident. Accidental-Death must occur as a result of an Injury sustained in a covered accident and must occur within 90 days of such accident.

In the event of the Accidental-Death of a covered Spouse or Dependent Child, Aflac will pay you the applicable lump-sum benefit indicated above. If you are disqualified from receiving the benefit by operation of law, then the benefit will be paid to the deceased Covered Person's estate unless Aflac has paid the benefit before receiving notice of your disqualification.

In the event of your Accidental-Death, Aflac will pay the applicable lump-sum benefit indicated above for your Accidental-Death to the beneficiary named in the application for the policy unless you subsequently changed your beneficiary. If you changed your beneficiary, then Aflac will pay this benefit to the beneficiary named in your last change of beneficiary request of record. If any beneficiary is a minor child, then any benefits payable to such minor beneficiary will not be paid until a guardian for the financial estate of the minor is appointed by the court or such beneficiary reaches the age of majority as defined by applicable state law. If any beneficiary is disqualified from receiving the benefit by operation of law, then the benefit will be paid as though that beneficiary died before you unless Aflac has paid the benefit before receiving notice of the beneficiary's disqualification. If a beneficiary dies before you do, the interest of that beneficiary terminates. If a beneficiary does not survive you by 15 days, then the benefit will be paid as though the beneficiary died before you unless Aflac has paid the benefit before receiving notice of the beneficiary's death. If no beneficiary survives you, Aflac will pay the benefit to your estate.

The rider will terminate upon the earlier of the termination of the policy to which it is attached, your failure to pay premiums for the rider, or your death.
